

DIGITAL SBO College Search and Career Guide

Please find below the link to the digital version of the 2016 *School Band & Orchestra* College Search & Career Guide.

This is a robust collection of information on key collegiate music programs that are looking to recruit your top students. We're sure your students who wish to move on and pursue an education in music would appreciate having access to this information.

If you could send an e-mail to your students with this link:
